HOST A PARTY!

If you're creative and love to plan parties, this one's for you. Get a group of friends together and spend an evening making a difference in your community. Or plan an event with your colleagues from work as a unique team-building experience. The opportunities are endless! Below are a few suggestions to get you started, but please remember we are flexible and always open to new ideas. Be creative! Hosting an event includes all planning and execution. We can work together to make it happen!

- Host a benefit event with a portion of the proceeds going to the Museum. This is a perfect opportunity for corporate and community groups looking for a way to get involved.
- Pizza parties, ice cream socials, magic shows, game nights!
- Plan a happy hour at a local restaurant. Admission to your event could be a donation to the Museum.
- Host a cocktail party in your home and have someone from the Museum come and share our story. Let each dinner guest make a donation of their choice.
- Sponsor a Head Start Family by giving them a family membership to the Museum.
