Museum of the Rockies Facility Use Agreement

It is agreed that:

General Conditions

1. Reservations for use of the Museum facilities are accepted on a first-in basis provided that the facility and adequate staff are available and must be made at least three weeks in advance. Reservations may not be made more than a year in advance. Reservations are not confirmed until both a member of the Museum staff and the event host have signed a copy of the Museum's Facility Use Agreement and a 25% deposit has been paid by the booking party. The remaining rental balance is due within 30 days after the event date. Events will not be allowed that, in the judgement of the Museum, could disrupt or conflict with the primary use of the building as a public museum or that could be inconsistent with the Museum's mission. This includes political and religious events as well as fundraisers for other institutions. The Museum of the Rockies will review applications on a case-by-case basis and apply its rental policies, which are consistent with those of Montana State University, the State of Montana, and the Board of Regents. Use of the Museum facilities shall not be considered as endorsement or approval of the activity, group, or organization hosting the event, not for the purposes it represents. If the booking party is new to the Museum a walk-through of the facility is required no less than two days prior to the event date (or if an out-of-town party, no less than two hours before event start time).
2. Space rental fees are per the current rate schedule on page 2 of this agreement and are dependent upon business versus non-business hours.
3. On January 1, 2014, the Museum began enforcing a cancellation policy as outlined below:
 - a. For external (Non MSU-Related Events): all cancellations must be in writing and sent to the Facility Rental Manager at morrentals@montana.edu during business hours Monday-Friday 9am -5pm. If the cancellation is made more than 30 days prior to the event date, the 25% deposit will be refunded. If the cancellation is made less than 30 days prior to the event date, the Museum will retain the 25% deposit.
 - b. For internal (MSU-Related) Events: all cancellations must be made in writing and sent to the Facility Rental Manager during business hours Monday-Friday, 9am-5pm. Depending on both the space involved and when the cancellation is made, the following cancellation fees apply:
 - i. The Redstart Classroom, Janke Board Room, Seminar Room and Lower Lobby require a notice of 14 days for cancellation with no penalty. All groups who fail to comply will be charged a cancellation fee of \$60 if the event was to take place during business hours (Classroom, Board Room, and Seminar Room only) or \$75 if the event was to take place after business hours.
 - ii. The Hager Auditorium, Bair Lobby, Taylor Planetarium, Bair Plaza, and any of the Exhibit Galleries (separately) require a minimum of 30 days notice for cancellation with no penalty. All groups who fail to comply will be charged a cancellation fee of \$120 if the event was to take place during business hours (Hager Auditorium only) or \$200 if the event was to take place after business hours.
 - iii. Rentals that involve access to all exhibit Galleries as well as those of the entire Museum require a minimum of 30 days notice for cancellation with no penalty. All groups who fail to comply will be charged a cancellation fee of \$350.
 - c. All groups and organizations will be charged a cancellation/no-show fee for failing to abide by these guidelines unless the user can show that the cause of the late cancellation was for reasons beyond the user's control.

- d. If for some reason your event does not go ahead because no one attends your event, you must notify the Facility Rental Manager at morrentals@montana.edu or 406.994.5276 during the scheduled event time or you may be charged a cancellation fee.
4. No smoking is permitted inside of the Museum or on museum grounds.
5. The Event Host assumes all liability for any personal injury to any member of the group in attendance that may occur during, or result from, the use of the property. The Event Host agrees to defend, indemnify, and hold the Museum harmless from any such liability.

The Event Host hereby releases the Museum, their agent and employees from any claims or losses arising from theft, damage, or destruction of any equipment, personal property, or effects upon the premises or facilities used by the Event Host or attendees. The Event Host agrees to defend, indemnify, and hold the Museum harmless from any such liability.

The Event Host assumes all financial responsibility for damage to or loss of Museum property. The Event Host will be charged for and will reimburse the Museum for any and all damages to the facilities and /or the equipment caused by itself, its employees, or participants in the event.

The Event Host will maintain comprehensive general liability insurance including bodily injury, personal injury, and property damage, with limits not less than \$1,000,000 per claim and/or \$2,500,000 per occurrence. The Event Host's insurance shall be the primary insurance and any insurance or self-insurance maintained by the State of Montana or the Museum shall be in excess of the Event Host's insurance and shall not contribute to it. The Event Host shall name the Museum as an additional insured party and shall provide a certificate of insurance no later than 14 days prior to the date of the event (not necessary if renter is an entity of Montana State University).

6. 7. For certain events, a copy of the guest list may be requested. Any changes that could impact Museum preparation (including number of guests, time of event, special needs, etc.) must be communicated to the Museum's Facility Rental Manager as soon as possible and must be approved. The Museum of the Rockies reserves the right to restrict any procedures or activities as necessary for the protection of the Museum and its exhibits.
8. The Event Host is responsible for the behavior of his/her guests. The Museum reserves the right to request that the Event Host expel any visitor acting in a manner that might threaten the well-being of other individuals, artifacts, exhibits, or the building facilities.
9. According to the groups size, the Event Host must provide adequate staffing for the event according to the specifications below. Event representatives need to manage activities such as ticket collection and sales, crowd management (turning away guests if the event is sold out), and exhibit protection (ensuring guests do not bring food and beverage into our exhibit spaces or auditorium).
